9510 S3 GRIPPERS SAFETY BOOTS

The Grippers Safety Boot, with its steel toe and mid-weight design, offers a snug fit with its removable insoles and laced uppers. Made from durable waxed leather, it also boasts a deep padded foam ankle with TPU external support structure for added comfort. The Eva foam full-length insole ensures all-day comfort, while the breathable moisture-wicking nylon mesh lining keeps your feet dry.

Conforms to EN ISO 20345:2011 S3 SRC.
