

Fleece Jacket

Warm and lightweight fleece jacket made of recycled POLARTEC® polyester. Wear this soft and versatile garment as an everyday outer jacket or as an insulating mid layer on cold workdays.

Lightweight fleece jacket made of advanced high-loft POLARTEC® polyester fleece for great insulation and a soft feel. The fabric contains 80% recycled polyester, making this smooth and comfortable garment a functional and sustainable choice. The jacket features thumb hole at sleeve ends, three zipped pockets and drawstring at bottom hem for optimal fit. Works perfectly both as a mid- and outer layer.

- POLARTEC® recycled fleece
- Zipped hand pockets and chest pocket
- Drawstring at bottom hem
- Thumb hole at sleeve ends
- Contrast black zippers
